

**LAURA KINNINBURGH To weddingsitaly.com October 2010**

Hi, you don't know me but you do know Simeone Ricci. This is an email to let you know that he recently was the Photographer at our wedding in Rome at the end of October. I just wanted to let you know how absolutely delighted we are with his work. The photographs he has given us are creative, contemporary and fresh. Also there are so many to choose from. He is a great photographer, and on the day, many of our guests, commented on how nice he was. We are so pleased we chose Simeone for our special day! We would recommend him to anyone else, looking for a wedding photographer! Kind regards, Laura Kinniburgh.
